| PARAPHRASE | | | |
| <p>On 7 Jul 53, KIELMANSEGG told source that it was obvious that the attack against CAPOTE was being steered and led by Hans GLOBKE. In K's opinion, both UTILITY and Otto JOHN were being "used" by GLOBKE to achieve power. JOHN, who is searching badly for support on the government side, is trying hard to get into the good graces of someone who can support him, namely GLOBKE. K feels UTILITY is very naive politically and has let himself be used most indiscriminately by GLOBKE to further the latter's quest for power.</p> <p>NOTE: The more we hear about GLOBKE the more we are convinced that the accusations leveled against UTILITY for meddling in internal German affairs are not basically the doings of UTILITY, but of GLOBKE who uses either UTILITY or UTILITY's sources for political info. For example, von dem BUSCHE a cut a month before leaving for the States, complained to Ritter von LEX that one of his former co-workers was asked for info about certain activities between BUSCHE and the BLANK Office. After a short investigation LEX told BUSCHE that UTILITY had ordered the investigation on orders from GLOBKE. BLANK has made the most frequent accusations that GLOBKE uses UTILITY for political info and, on his return from the States, will ask for specific details.</p> <p>KIELMANSEGG is considerably annoyed at UTILITY's failure to keep contact with him and HEUSINGER and confine his activities to only GLOBKE.</p> | | | |
